Dear Superstore shareholder

OFFER UPDATE: Unsolicited offer for shares in Superstore Properties Limited

This is an update on the recent unsolicited offer by CNP Investment Holdings LP ("CNP") to buy all or some of your shares in Superstore Properties Limited ("Superstore") for \$5.30 per share ("Offer"), via a 'disclosure document' mailed to you on or around 5 July 2024 (the disclosure document is included again here, as required by the relevant regulations).

New information since the Offer was made:

- **More than 30 shareholders have accepted the Offer so far**, holding over 7% of the total shares on issue. **This includes Michael Millar, who has accepted the Offer for the 12,000 shares (0.6%) held in his personal name.**
- In parallel with the Offer, CNP has also entered into a conditional agreement with Mr Millar's company, Investment Services Limited ("ISL"), being a transaction with a "wholesale investor". **This agreement entitles CNP to acquire ISL's 19.1% Superstore shareholding at \$5.30 per share (the same price as the Offer).**
- This is relevant because Mr Millar was a prior director of Superstore, and his company ISL was the prior manager of Superstore. Mr Millar and ISL are the subject of the litigation by Superstore and others, which they are currently appealing. Mr Millar obviously has considerable knowledge of Superstore and its future prospects, and therefore you may consider ISL's decision to sell all of its Superstore shares at \$5.30 per share is relevant to your own decision.
- This means that including ISL, **four of the ten largest Superstore shareholders have now agreed to sell their Superstore shares to CNP at \$5.30 per share.**
- The combination of the above means that assuming the Offer conditions are satisfied or waived, and ISL's Superstore shares are acquired, **CNP (including its associates) is likely to obtain effective control of Superstore with a shareholding of at least 49% of the total shares on issue** (likely to be higher by the time the Offer closes). Effective control in these circumstances would mean CNP could appoint its own directors (and/or remove the existing directors) and thereby implement its own strategy if it chooses to do so. A shareholding of more than 50% would allow CNP to remove/appoint directors by notice, without calling a shareholder meeting.

- **The Offer closes on 7 August 2024.** The Offer and the agreement to purchase ISL's Superstore shares remain subject to CNP's (sole) discretion on whether to accept oversubscriptions under the Offer. If you still wish to accept the Offer, you can email the Acceptance and Share Transfer Form (included again here) to craig@pagetcapital.co.nz to ensure it arrives by the closing date. If you need help scanning the completed Acceptance and Share Transfer Form, or help emailing it, you may consider asking a family member to assist, or call me on the number below (some have taken photos of the two relevant pages on their phone and then emailed those). Overland mail might arrive in time, but this is uncertain. **CNP may accept late acceptances at its discretion, but is not obliged to.**
- CNP has waived offer conditions 10 and 11 which related to the Millar litigation (they were incorrectly drafted and unlikely to apply in any event).

Offer to purchase some, or all, of your shares in Superstore Properties Limited, for \$5.30 per share

Important information

This is an unsolicited offer by CNP Investment Holdings LP (“CNP”) to buy all or part of your investment in Superstore Properties Limited (“Superstore”).

Make sure you read carefully and understand all of the terms of this unsolicited offer, including any fine print in this document or in any other documents or forms relating to the offer. Find out what your investment is really worth before selling it. You can find out how much your investment is likely to be worth from an authorised financial adviser or the company or other entity that offers the investment.

Offer price compared with fair estimate of value

Offer price	\$5.30 per share	Fair estimate of value	\$5.15 per share
Offer price for individual offeree’s shares	\$<OFFER PRICE>	Fair estimate of value for individual offeree’s shares	\$<FAIR ESTIMATE>
Total offer price for offerees collectively	\$265,000 (for 50,000 shares)	Total fair estimate of value for offerees collectively	\$257,500 (for 50,000 shares)
Total offer price for offerees collectively if oversubscriptions taken up in full	\$1,590,000 (for 300,000 shares)	Total fair estimate of value for offerees collectively if oversubscriptions taken up in full	\$1,545,000 (for 300,000 shares)

The estimates of value specified above are fair estimates of the value as at 24 June 2024.

The fair estimate of value is based on the average of the Syndex on-market trades for Superstore shares during 2024, as set out in further detail later in this letter. This fair estimate of value assumes that these on-market trades reflect arms-length transactions between willing buyers and willing sellers who are fully informed as to their Superstore investment, which is otherwise generally an illiquid minority investment in the company.

The above fair estimate of value is the opinion of CNP (and has not been reviewed by an independent third party).

You can find out how much your investment is likely to be worth from an authorised financial adviser or the company or other entity that offers the investment.

The offer to you must remain open for a minimum of 30 days from the date of the offer. You have time to think about whether or not to accept the offer.

Payment will be made no later than 15 September 2024, to the bank account specified by you in the Acceptance and Share Transfer Form.

Letter to Superstore shareholders from CNP

Dear Superstore Shareholder

This is an offer ('Offer') by CNP Investment Holdings LP ('CNP') to buy some or all of your shares in Superstore Properties Limited ('Superstore', 'Superstore Shares') for **\$5.30** per share.

In order to make an Offer such as this, CNP must comply with the Financial Markets Conduct Regulations 2014 ('Regulations'). The Regulations require that this Offer is characterised as an 'unsolicited offer', and contain the various legal warnings set out earlier in this document.

In order to ensure that this Offer complies with the relevant requirements, CNP has obtained legal advice from law firm Russell McVeagh.

Background to this Offer

You may recall that CNP currently owns approximately 22% of Superstore, pursuant to a prior offer dated 4 November 2021. Since then, the New Zealand commercial property environment has worsened considerably as a result of higher inflation and higher interest rates in particular. As a result of these various factors:

1. the S&P/NZX All Real Estate (Price Return) Index has declined by 30% between 4 November 2021 (date of prior CNP offer) and 19 June 2024; and
2. the independent valuation of Superstore's remaining Cranford Street property has declined by 29% (from \$12.125 million as at 6 October 2021 to \$8.625 million as at 31 March 2024).

Litigation against former director and manager

You may be aware that Superstore recently obtained a judgment for \$656,394 (plus GST, interest and costs) in its lawsuit against Michael Millar and Investment Services Limited ('ISL') in the High Court (the "Current Proceedings"). This litigation was commenced back in December 2020, and it took around 3.5 years to obtain a judgment. I understand it also cost Superstore hundreds of thousands of dollars in legal costs (let alone director time).

Unfortunately Michael Millar and ISL have now appealed the High Court judgment to the Court of Appeal. This is disappointing, and re-introduces uncertainty for Superstore shareholders as to:

1. how long that appeal process might take;
2. how much the appeal process will cost Superstore (in legal fees and director time);
3. whether Superstore will be successful in relation to the appeal (if not, this may have cost implications); and
4. even if Superstore is successful, whether Michael Millar and ISL will have sufficient financial resources left at the end of the appeal process.

CNP is uncertain whether any litigation proceeds eventually received by Superstore will be taxable.

Other issues facing Superstore

Other material issues facing Superstore include:

1. with the sale of the Warehouse property in Tauranga, there will be less rental income from which to pay dividends (to the extent the directors decide to continue making dividend payments);
2. CNP understands that the Cranford St insurance claim, dating back to the Christchurch earthquake, remains ongoing – after 13 years;
3. the directors remain unable to access Directors & Officers Insurance, indicative of the historical problems with the company. This impacts on the ability of Superstore to retain the existing directors and attract new directors should the existing directors resign; and
4. there is a residual risk that the historical mis-management of Superstore may have created other risks that are not yet apparent. This would include tax risk (due to prior mis-management of Superstore's tax affairs), and contingent liability risk. It is very difficult for shareholders (including CNP) to accurately assess these risks.

What happens in the meantime?

Although the directors of Superstore have not yet signalled what they will do with the proceeds of the Tauranga property sale, it is CNP's view that the current state of the commercial property cycle presents opportunities to seek out other property-based investments.

This would require a change of strategy for Superstore from a property-owning, dividend-paying entity – to more of an investment entity.

CNP does not support the liquidation of Superstore, and in any event this is not even currently commercially practicable given:

1. the ongoing litigation appeals process outlined above; and
2. the ongoing Cranford St insurance claim.

Fairness of CNP's \$5.30 Offer Price

All of the above factors and risks impact on the price that CNP is able to offer. The \$5.30 price offered is a discount to the net asset value underpinning the Superstore shares. This discount reflects:

1. the risks and factors outlined above;
2. the lack of liquidity in the Superstore shares – i.e. it is easy for CNP to buy them, but much more difficult to ever sell them if CNP wished to exit its Superstore investment (hence this is necessarily a long term investment); and
3. that CNP will still only have a minority shareholding in Superstore of less than 50%, and therefore will not be able to control the appointment/removal of Superstore directors as of right.

Recent share trades

The table below sets out the on-market trades in Superstore shares during 2024, sourced from the Syndex platform as at 24 June 2024.

Trade Date	Quantity	Unit Price	Traded Value
25 January 2024	4,000 Units	\$5.25	\$21,000
31 January 2024	5,000 Units	\$5.00	\$25,000
19 February 2024	2,000 Units	\$5.00	\$10,000
15 May 2024	1,000 Units	\$5.00	\$5,000
9 June 2024	1,000 Units	\$6.00	\$6,000
TOTAL	13,000 Units	\$5.15	\$67,000

As you can see, most of these trades were at \$5.00 per share, although there was one trade recently at \$6.00 on a small parcel of 1,000 shares (it is difficult to know whether this recent \$6.00 trade is an anomaly, noting the very small parcel).

Other matters

You can specify the number of Superstore Shares you wish to sell in the Acceptance and Share Transfer Form. You do not need to sell all of them, but please do not leave yourself with less than the minimum parcel of 1,000, as this may breach the company's constitution.

Thank you for taking the time to carefully consider this Offer, and its key terms. If you have any questions, please email me at craig@pagetcapital.co.nz, or call me on 021 615 625.

Yours sincerely

CNP OFFER SUMMARY

CNP Investment Holdings LP ("**CNP**") is offering to acquire some or all of your Superstore Shares on the following terms and conditions:

Offer Price	NZ\$5.30 in cash for each Superstore Share that you choose to sell, less all cash distributions/dividends (but excluding imputation credits) per share – either paid to you, declared by Superstore, or with a record date – between 24 June 2024 (the "Reference Date") and the Payment Date (for each seller).
Other Adjustments to Offer Price	<p>It is possible (albeit unlikely) that after the Reference Date, Superstore announces or completes a share split or consolidation, a share buyback or redemption or cancellation, an issue of new securities, or some other event (other than a distribution/dividend that has already been taken into account above) that changes the capital structure of Superstore in some way (such as increasing or decreasing the number of shares outstanding, and the value per share).</p> <p>If such an event will become effective or have a record date prior to the Payment Date (for each seller), then the Offer Price will be adjusted such that it remains at the same % of Net Asset Value per Superstore Share immediately after the event that it was immediately prior to the event (i.e. the economic terms of the Offer for shareholders and CNP remain substantially the same as they would have been had the relevant event not occurred). CNP will advise shareholders if it becomes aware of such an event, with relevant details as to any Offer Price adjustment.</p> <p>If one or more of these events occurs, but for any reason is not factored into the price paid by CNP to a selling investor (either because CNP was not aware of it, or otherwise), then the selling shareholder agrees to pay or transfer or otherwise account to CNP for the right, benefit or entitlement or payment received in relation to the relevant Superstore Shares.</p> <p>For clarity, nothing in this section limits CNP's reliance on the Offer Conditions and any waiver of the Offer Conditions will not be a waiver of any adjustment to the Offer Price under this term unless CNP expressly determines otherwise.</p>
No Brokerage Cost	There are no brokerage costs. You will receive the Offer Price in full.
Offer Period	The Offer is dated 5 July 2024 (" Offer Date ") and remains open for acceptance until 4pm on 7 August 2024 (" Closing Date "). CNP reserves the right to take up acceptances under the Offer that are received after the Closing Date, but is not obliged to.
Payment Date	CNP reserves the discretion to make payment at any time after receiving an accepting shareholder's Acceptance and Share Transfer Form. Regardless, all payments must occur no later than 15 September 2024. Payment will be made to the bank account specified by you (either in the Acceptance and Share Transfer Form or otherwise).
Total Offer	The Offer is for 50,000 Superstore Shares, being 2.4% of the Superstore Shares on issue. <u>There is no minimum acceptance condition.</u>
Oversubscriptions	If CNP receives acceptances in excess of the Total Offer, CNP may accept oversubscriptions at its sole discretion up to a further 250,000 shares (so up to 300,000 Superstore Shares in total). If there are oversubscriptions, CNP will deal with all acceptances at its sole discretion.
Change in number of Superstore Shares	If for any reason the number of Superstore Shares outstanding changes prior to the Payment Date, then the number of Shares for which CNP is offering under the Total Offer and Oversubscriptions will change such that the same proportionality is retained (i.e. that the Total Offer by CNP is still for 2.4% of the total shares on issue in Superstore, and similarly for oversubscriptions).

Constitutional Limitations	The limitations in the Superstore Constitution allow the board to refuse to register transfers which would see a holder left with less than 1,000 Superstore Shares. Therefore, you should ensure you are left with either no Superstore Shares, or at least 1,000 Superstore Shares.
How to ACCEPT	To accept the Offer, complete the Acceptance and Share Transfer Form and email it to craig@pagetcapital.co.nz . Alternatively, you can mail the form using the envelope enclosed.
How to DECLINE	To decline the Offer, just ignore these documents and do nothing.
Offer Conditions	The Offer is subject to the conditions below. Any or all of the conditions can be waived in whole or in part by CNP at its absolute discretion.
Change of Mind	You may withdraw your acceptance of this Offer up until 10 working days after the date you accepted it.
No Transfer	If Superstore does not register the change of share ownership to CNP within 7 Working Days of payment, at the discretion of CNP the transaction shall be cancelled and any monies paid shall be refunded to CNP.
Withdrawal of Offer	CNP may only withdraw this Offer with the permission of the Financial Markets Authority.

8. There being no event, change, circumstance or condition that has occurred on or after the Offer Date that has had, or could reasonably be expected to have, in the opinion of CNP, a material adverse effect as compared with the position absent the event, change, circumstance or condition. 12. No assets of Superstore are, or could reasonably be, subject to any option, forfeiture or termination, transfer, any right of pre-emption, or any other right that could be adverse to Superstore or CNP in the event of an increase in CNP's shareholding in Superstore;
13. No event of default, potential event of default, repayment event, prepayment event or event of review (however described) under any agreement or instrument to which Superstore is subject occurring, or will occur, as a consequence of an increase in CNP's shareholding in Superstore;
14. There is no order issued by any court of competent jurisdiction in New Zealand, any regulator or other legal restraint or prohibition making implementation of this Offer, or any aspect of it, void, unenforceable or illegal;
15. The S&P/NZX 50 Index (Total Return) does not close below 11,200 on any day between the Reference Date and the Payment Date;
16. The S&P/NZX All Real Estate Index (Total Return) does not close below 1,425 on any day between the Reference Date and the Payment Date.

If the Offer does not become unconditional before the Payment Date, it will lapse and all Acceptance and Share Transfer Forms received by CNP will be cancelled and of no effect. CNP will advise accepting shareholders if the Offer does not become unconditional.

If there is an inconsistency between the terms and conditions of the Offer and the provisions of (or the application of the provisions of) the Financial Markets Conduct Regulations 2014 the provisions of (or the application of the provisions of) the Financial Markets Conduct Regulations 2014 will prevail.
